## You're Invited to the Bryant® Pro iPad App Advanced Workshop!

Using the Bryant® Pro iPad App, you'll learn powerful tools that will help you select the right system options with your homeowners. This workshop is for you if you have some working knowledge of Wrightsoft software, but not the BryantPro Mobile Consultant for the iPad.

- **Hands-on class on how to use Wrightsoft mobile consultant for load calculation, operating cost calculations, best/better/good examples and proposals**
- **Overview of the free Bryant Pro sales tools, including homeowner report card and top ten Evolution® exclusives**
- **Class requirement: you must bring your iPad downloaded with Bryant Pro and the demo version of Bryant Mobile Consultant from Wrightsoft**

Your attendance is eligible for 8 hours of Bryant FAD credit!

It's a day of hard-hitting information and tools that you can use immediately when you return to your business.
